Clarifying Clay Mask

By: *Skin Ceuticals*

This non-drying masque combines Kaolin and Bentonite. Bentonite, the highest quality of natural earth clay, is used to decongest pores and lift impurities. Botanicals and minerals are added to help heal and calm the skin, while a 5% Hydroxy Acid blend gently exfoliates. Weekly use leaves skin feeling healthy and purified.

Lips

Antioxidant Lip Repair

By: *Skin Ceuticals*

Two powerful antioxidants, Vitamin E and Silymarin form an exclusive combination therapy for the lips. This powerful treatment helps prevent premature signs of aging, while restoring moisture and smoothing the surface of the lips. Hydrates and heals dry, cracked lips, while an AHA-free exfoliating complex accelerates cell renewal to smooth deep lines for full, healthy lips.

LipCotz SPF 45

By: *Fallene*

This lip protection combines titanium dioxide, zinc oxide and iron oxide to offer chemical free, full UVA/UVB protection. This product is ideal for light sensitive patients who need complete protection.

Lip Drink SPF 15

By: *Jane Iredale*

UVB/UVA protection without chemical ingredients. Edible zinc oxide and macadamia nut oil protects, moisturizes and conditions skin. Contains no Petroleum-derived ingredients. It has a delicious citrus flavor.

Retinols

Retinol 0.5

By: *Skin Ceuticals*

Retinol 0.5 contains 0.5% pure retinol and is enhanced with the latest stabilization and delivery technologies to provide maximum efficacy. Studies show Retinol helps with cell regeneration and building collagen to diminish the appearance of fine lines, wrinkles, and age spots from both sun damage and the natural aging process. Additionally, it helps minimize the appearance of pore size, while correcting blemishes and blotchiness associated with problematic skin.

Retinol 1.0

By: *Skin Ceuticals*

Skin Ceuticals Retinol 1.0 is formulated with highest concentrations of pure retinol available and enhanced with the latest stabilization and delivery technologies. Studies show Retinol helps with cell regeneration and building collagen to diminish the appearance of fine lines, wrinkles, and age spots from both sun damage and natural aging. Additionally, it helps minimize the appearance of pore size, while correcting blemishes and blotchiness often associated with problematic skin.

Legs

Light Leg Complex

By: *Methodo Physiadermie*

Repairs and strengthens the vascular system responsible for spider veins. Reduces water retention, improves circulation and strengthens weak capillaries to reduce swelling and relieve tension in the legs. Legs immediately feel lighter. Recommended for spider veins and heavy legs. Also great for any body part with pain (congestion) and for post-liposuction treatment.

Sunscreen

Ultimate UV Defense SPF 30

By: *Skin Ceuticals*

This true broad-spectrum sun block contains 7% transparent zinc oxide (Z-Cote) to help protect against the damaging effects of UVA and UVB rays. Cosmetically elegant and moisturizing, Ultimate UV Defense is ideal for daily use.

Elta MD UV Physical SPF 41

By: *Swiss American*

This broad-spectrum, chemical free sunscreen utilizes the natural mineral UV protection of zinc oxide and titanium dioxide. It is a gentle daily sunscreen that provides excellent UVA and UVB protection. Elta MD UV Physical absorbs quickly and can be used on the face, either alone or under makeup. It is oil-free, paraben-free and fragrance free. This sunscreen is tinted, but dries clear on the skin.

Elta MD UV Shield SPF 45

By: *Swiss American*

This is a lightweight, oil free daily sunscreen that easily and evenly spreads across the skin. UV shield is non-comedogenic and safe for the most sensitive skin, including oily and acne prone skin. It can be used for patients with rosacea and in conjunction with photosensitizing medications.

Solar Protection SPF 58

By: *Fallene, Ltd.*

This broad-spectrum sunscreen contains titanium dioxide and zinc oxide to protect the skin from UVA and UVB rays. This sunscreen is extra gentle with no chemical sunscreen filters. It is PABA free and fragrance free. This sunscreen is tinted, but dries clear on the skin.

TIZO3 SPF 40

By: *Fallene, Ltd.*

This broad-spectrum sunscreen contains titanium, iron, and zinc oxide uniquely formulated to offer sheer, elegant protection with a silky, smooth, matte finish. Tizo3 is paraben, oil, PABA and fragrance free. It is specially formulated without "chemical sunscreen" filters.

Active UV Defense SPF 15

By: *Skin Ceuticals*

This sunscreen combines MexoryITM SX (ecamsule) with avobenzone to provide advanced UVA protection. With an SPF 15, the addition of octocrylene inactivates nearly all UVB rays.

Make-up

Jane Iredale, The Skin Care Makeup

By: *Iredale Mineral Cosmetics, Ltd*

This micronized mineral makeup is four products in one: foundation, powder, concealer and sunscreen, and will camouflage almost any skin discoloration. The minerals give instant, broad spectrum, chemical free protection and are also water resistant. Non-comedogenic and oil free, the skin is allowed to breathe and function normally. Iredale makeup has minimum allergy risk since it contains no sensitizers such as perfume, FD&C dyes or preservatives in the powders, blush and eye shadows.

Body Products

Slimming Bioarome

By: *Methodo Physiadermie*

Concentrated serum that breaks up and eliminates excess fatty deposits (compact cellulite). Its high concentration of slimming activity makes it a powerful body sculptor. Ideal for excess accumulation of fat and cellulite (orange skin peel).

Keratosis Pilaris Kit

By: *Glytone*

This 2-step system for keratosis pilaris incorporates glycolic acid to help reduce or eliminate the unsightly, dry, red bumps of keratosis pilaris.

Serious Shave Cream

By: *Glytone*

This product offers 9.8% glycolic acid for a close shave to help minimize razor bumps and ingrown hairs.

Kelo-Cote: Scar Therapy

By: *Advanced Bio-Technologies, Inc.*

If a scar is red or raised, Kelo-Cote can help by reducing the redness, itching and irritation as well as soften and flatten the scar. This product is silicone based and provides 24 hours of protection and treatment. Kelo-cote is safe and well tolerated for use on all skin types, including children and patients with sensitive skin.

Bust Refirming Gel

By: *Methodo Physiadermie*

Strengthens the elasticity of the skin that supports the breast. Daily use will help maintain a firm bust line. Tones loose tissue for a firm contour.

Hand Beauty Care Cream

By: *Methodo Physiadermie*

Moisturizes, nourishes and protects the skin against environmental factors. Helps lighten pigmentation spots and prevents premature aging, leaving the skin soft, even and hydrated.

Specialty Products

DrH Stabilizer Lotion

By: *HTP Pharmaceuticals*

This skin care product will treat many common disorders including itching, shaving rashes; sensitive skin with acne (perioral dermatitis), rosacea, and red blotchy skin associated with sun damage.

Cleansers

Deep Cleansing Milk

By: Methode Physiodermie

This cleansing milk will gently remove makeup and impurities while preserving skin hydration. Ideal for sensitive skin and sensitive eyes.

Shower Hydrating Milk SL

By: Methode Physiodermie

This lathering cleanser eliminates impurities and protects the skin against bacteria. Ideal for sensitive skin, it may also be used on the entire body and is excellent for shaving.

Simply Clean

By: Skin Ceuticals

Ideal for combination or oily skin, this skin-refining gel cleanser combines an exfoliating hydroxy acid blend with botanical extracts to gently remove impurities, excess oils, and makeup. Also contains botanical extracts of Chamomile, Comfrey, and Aloe to help soothe and heal the skin. Ideal for combination or oily skin types.

Cleansing Cream

By: Skin Ceuticals

Ideal for normal or dry skin, this light cream cleanser gently lifts away makeup and surface residue without drying the skin. Hydroxy acids gently exfoliate dead skin cells while botanical extracts such as Chamomile, Comfrey, Yarrow, and Aloe soothe and heal the skin. Ginseng is added to improve elasticity. Ideal for normal to dry skin types.

Clarifying Cleanser

By: Skin Ceuticals

Specifically formulated for acne prone skin. It combines Salicylic Acid, with the exfoliating power of Glycolic Acid and Mandelic Acids to unclog pores and improve the appearance of problematic skin. Along with powerful AHA and BHA ingredients, the cleanser also includes smoothly rounded micro beads to gently slough off dead skin cells and cellular debris.

Toners

Stabilizing Lotion

By: Methode Physiodermie

This soothing toner will remove any residual traces of impurities and stabilize the skin's pH to enhance the penetration of other products.

Exfoliator

Soft Face Bio-Peeling

By: Methode Physiodermie

This exfoliator will gently remove dead skin cells. Extremely soft, it can be used on sensitive skin as well as the delicate contour of the eye.

Antioxidants

C E Ferulic

By: Skin Ceuticals

This revolutionary combination antioxidant provides an unprecedented 8 times the skin's natural protection against photo damage. More protection means more youthful looking skin and better defense against environmental aging. Protects against free radical damage from UV radiation to prevent premature signs of aging, while stimulating collagen to help diminish the appearance of sun damage.

Phloretin CF

By: Skin Ceuticals

Phloretin CF™ protects against free radicals and other reactive molecules known to cause cell damage. It corrects existing damage by stimulating the synthesis of essential proteins and fibers and accelerating cell turnover. The result—a strengthened support structure on the inside and a more youthful, firm, radiant appearance on the outside. Ideal for oily, problematic and normal skin.

Moisturizing Creams

Purifying Cream

By: Methode Physiodermie

Eliminates impurities and prevents the skin from shining, rendering an even and matte complexion. Maintains hydration of the skin and protects it from potential breakouts. Key ingredient is Azelaic Acid.

Oily Skin Cream

By: Methode Physiodermie

Regulates the secretion of excess sebum (oil) on the skin's surface, preventing the skin from shining. The cream will help close dilated pores and reduce blackhead formation. Renders the skin a uniform and matte complexion.

Dry Skin Cream

By: Methode Physiodermie

This moisturizer supplies the skin with natural lipids, instantly hydrating the skin and relieving the discomfort of chapped, peeling skin. Skin is left soft and supple. Key ingredient is Allantoin to hydrate the skin.

Hydro-Control Cream

By: Methode Physiodermie

This cream maintains the skin's hydration level to prevent premature aging. Smooths out superficial wrinkles, rendering a silky texture to the skin. Key ingredient Hyaluronate.

Toner Cream

By: Methode Physiodermie

This tonifying cream is rich in elastic proteins that will reinforce the skin. Restores firmness and energy to the skin. Ideal for sagging and mature skin. Key ingredients are Retinyl Palmitate, Ascorbil Palmitate, and Glycoaminoglycans.

Sensitive Skin Cream

By: Methode Physiodermie

Calms sensitive and irritated skin. This moisturizer will prevent appearance of redness by rebalancing the epidermis. Ideal for sensitive skin and allergy prone skin. Key Ingredients are Amino Acids and Allantoin.

Optimum Lift Cream

By: Methode Physiodermie

Anti-aging treatment cream. Strengthens the collagen fibers and accelerates the cellular renewal process. Skin becomes soft and smooth. Ideal for scars and wrinkles, and for individuals that are over 40 years old.

Daily Moisture

By: Skin Ceuticals

This lightweight pore-minimizing moisturizer for normal or oily skin hydrates nourishes, and helps reduce the appearance of pore size with an exclusive combination of natural extracts. High levels of pure vitamin E heal and protect while Brazilian sea algae deliver proteins, amino acids, and essential minerals to the skin. Daily Moisture contains Burnet, Cinnamon, and Ginger to help reduce pore size without leaving the skin feeling greasy.

Renew Overnight Oily

By: Skin Ceuticals

Ideal for combination or oily skin, this nighttime skin-refining moisturizer diminishes the appearance of fine lines and wrinkles by hydrating and exfoliating the skin. Special extracts help replenish moisture, while a 10% Hydroxy Acid blend gently exfoliates to help restore a healthy, radiant complexion. Added Orange Oil helps clear acne prone, congested skin.

Renew Overnight Dry

By: Skin Ceuticals

Ideal for normal or dry skin, this nighttime skin-refining moisturizer contains a 10% hydroxy acid blend to gently exfoliate the skin for a healthier appearance. Formulated with extracts of Aloe, Chamomile, Evening Primrose Oil, and Comfrey, Renew Overnight Dry helps to restore a radiant complexion and diminish the appearance of fine lines, wrinkles, and other signs of premature aging.

Hydrating B5 Gel

By: Skin Ceuticals

Enriched with vitamin B5, which is known to help with tissue repair, Hydrating B5 Gel replenishes nutrients the skin needs to feel smooth and appear younger. This moisture enhancing gel contains Hyaluronic Acid, the body's natural hydrator, to bind moisture to the skin. Hydrating B5 Gel is recommended for use with Vitamin C treatments and will help maximize the benefits of your daily moisturizer.

Regenerating Oil

By: Methode Physiodermie

This non-greasy oil will generate new cells while providing rich lipid supplements to the skin. This multiple-use oil is ideal for dry skin, eczema, psoriasis, recent scars and post microdermabrasion or chemical peels.

Emolliente

By: Skin Ceuticals

This rich and restorative moisturizer is perfect for use on dry or sensitive skin. Nutrient rich Brazilian sea algae nourish and hydrate the skin while oils of grape seed, rose hip, and macadamia restore and maintain moisture.

A.G.E. Interrupter

By: Skin Ceuticals

A.G.E. Interrupter is specifically formulated to improve the thinning appearance of mature skin caused by intrinsic or internal aging processes.

Eyes

A.G.E Eye Complex

By: Skin Ceuticals

This three dimensional treatment contains a unique combination of ingredients to dramatically improve severe signs of aging around the eyes in mature skin. Immediately improves radiance and minimizes the appearance of dark circles and puffiness.

Eye Renewal Gel

By: Skin Ceuticals

This nighttime line minimizing gel smooths fine lines and reduces the appearance of crow's feet. Cool and moisturizing, it helps create a more radiant appearance around the delicate eye area by gently exfoliating the skin. Aloe, algae, and chamomile are added to help heal, moisturize, and soothe the sensitive eye area, while a 5% hydroxy acid blend removes dead skin cells.

Latisse

By: Allergan, Inc.

Latisse solution is a prescription treatment for hypotrichosis. It is used to stimulate the growth of eyelashes, making them longer, thicker and darker. Latisse works gradually and remarkably with full results after 12 to 16 weeks with continued use of the product.

Eye Contour-Gel

By: Methode Physiodermie

Advanced eye treatment. Fights the appearance of wrinkles, stimulates circulation, and decongests puffiness and dark circles in the eye contour area.

Eye Cream

By: Skin Ceuticals

Powerful ingredients work synergistically in this firming eye treatment to help correct early signs of aging. Formulated with a special complex to combat symptoms such as puffiness, sagging skin, and dark circles. Supports collagen synthesis and accelerates the skin's ability to repair damage resulting from UV light, pollutants, and harmful chemicals. Key Ingredient Centella Asiatica.

Eye Balm

By: Skin Ceuticals

This rich, corrective emollient treatment is specifically formulated to counter the three prime signs of aging- moisture loss, collagen breakdown, and free radical damage. A natural anti-inflammatory is added to reduce the appearance of under-eye puffiness, while a soothing agent derived from the Chamomile plant calms irritated skin. Ideal for dry, mature skin around the eye area.

Acne Products

Actnyl # 1

By: Methode Physiodermie

This concentrated serum eliminates impurities, dead cells and regulates sebaceous activities. Destroys bacteria responsible for papules, pustules and imperfections and prevents further breakouts. Ideal for vulgaris acne on the face, back and body. This is a spot treatment serum.

Actnyl #2

By: Methode Physiodermie

This restorative moisturizer regulates sebum secretion to balance cutaneous lipids. Accelerates cellular activity and prevents scarring. Normalizes, protects and regenerates the skin. Tightens pores and matifies the skin. Recommended for oily skin with acne (pimples).

Acne Kit

By: Skin Ceuticals

The system combines pore cleansing, acne fighting, and complexion refining products in a daily homecare regimen that can be used alone or in conjunction with other doctor-recommended treatments. This kit includes a Clarifying Cleanser (2% Salicylic Acid/ Glycolic Acid/Mandelic Acid), Blemish Control Gel, Retinol 0.5, and Clarifying Clay Masque.

Back Acne Spray

By: Glytone

A daily treatment for back acne with a unique upside down pump for ease of application. Can be used alone or as maintenance to our in office Glytone salicylic acid peel for the back and chest. This spray has 2% salicylic acid to unclog pores and keep skin clear of new blemishes.

Blemish Control Gel

By: Skin Ceuticals

This gel is a lightweight acne medication that effectively treats existing whiteheads, blackheads and other acne-related blemishes while helping to prevent future acne breakouts. The gel contains 1% salicylic acid, proven acne fighting ingredient, as well as other purifying ingredients. Blemish control gel

exfoliates dead skin cells, unclogs pores, and helps ensure blemishes disappear quickly without leaving skin discolorations or causing irritation. The addition of sodium hyaluronate alleviates excessive drying commonly caused by acne medications.

Glytone Acne Kit

By: Glytone

This system combines acne-fighting ingredients to control acne. It can be used in conjunction with prescription products. The kit includes an Exfoliating Gel Wash with 4.7% glycolic acid, Cleansing Toner with 2% salicylic acid, and Acne Gel 10% oil free benzoyl peroxide gel that helps control surface oil. This kit is comparable to the ProActive System.

Hyper-pigmentation

Lightening Cleansing Milk

By: Methode Physiodermie

This gentle cleansing milk removes dirt and oil while lightening the skin tone. Eliminates all impurities and bacteria while respecting the skin's hydrolipidic film and pH. It's whitening complex improves skin clarity and texture.

Lightening Cleansing Lotion

By: Methode Physiodermie

This lightening astringent regulates the pH of the skin while lightening the skin tone. Removes all traces of impurities and prepares the skin for the absorption of whitening ingredients. Its tonifying properties firm the skin. Enhances the penetration of other products.

Anti-Brown Marks Emulsion

By: Methode Physiodermie

This advanced treatment cream normalizes the melanocyte activity, responsible for brown pigmentation spots. Protects the skin's structure with its UV screen. Renders a clear and silky complexion.

Phyto +

By: Skin Ceuticals

This botanical gel for hyper pigmentation is an advanced lightening formula combining four active ingredients to diminish discoloration and improve the overall health of the skin. Kojic Acid and Arbutin, natural alternatives to Hydroquinone, work synergistically to help break up hyper pigmentation, while Cucumber and Thyme contain anti-inflammatory and antiseptic properties to soothe red, irritated skin. Active ingredients are delivered in hyaluronic acid bases to hydrate as they help heal, calm, and improve the appearance of the skin. Phyto + can also be used to help reduce erythema and to maintain results following invasive cosmetic procedures.

Rosacea

Anti-Redness Emulsion

By: Methode Physiodermie

Decongests and balances the micro-capillary circulation. Prevents redness on the skin's surface while providing UV protection. Ideal for rosacea, red and sensitive skin. Key Ingredient is Titanium Dioxide.

Anti-Redness Micro-Gel

By: Methode Physiodermie

Treatment gel for acne rosacea. Destroys the Demodex Folliculoreum mite, known to be associated with acne rosacea. Regulates sebaceous secretions. Reduces the redness and discomfort associated with acne rosacea. Key Ingredient Butcher's Broom Extract.

Masks

Hydrating B5 Mask

By: Skin Ceuticals

This highly concentrated masque infuses dehydrated and stressed skin with optimal amounts of hyaluronic acid and vitamin B5 to replenish depleted moisture levels. Hydrating B5 Masque plumps moisture-deprived skin to restore a healthy youthful appearance.

Balancing Mask

By: Methode Physiodermie

Calms and soothes superficial tension (redness) of the epidermis, leaving the skin soft and radiant. Ideal for sensitive, dehydrated skin and the delicate eye contour.

Detoxifying Mask

By: Methode Physiodermie

Purifies the epidermis by balancing sebum secretions. Eliminates superficial impurities, giving the skin a clean and clear appearance. Ideal for acne and congested skin types.
